I am humbly appreciative of your tribute in dedicating the nineteen hundred fifty-nine Rosphian to your bus drivers and to me. I consider this dedication an eminent honor and am deeply grateful for my share in it.

Your year book attests to an excellent accomplishment, and I wish to thank you for my copy.

As you know, I have an inborn interest in Rock Springs High School and its students. I congratulate you on your successful completion of high school and wish the best of everything for you in the years ahead.

Sincerely,

CLASS SONG

Tune: Look for a Silver Lining

Rock Springs! we now are leaving--
Our classmates, friends, and teachers so true;
Many happy moments will fill our memories
And we will miss you;
It makes us blue to part with you--
Our hearts fill with tears of sadness
As we now face our life anew;
But we will always recall with gladness
The days that we have spent here with you.

Twelve years we've been together--
Dear classmates, now our parting is near;
The time we've spent here at Rock Springs High School
Was filled with work, play;
And friendships that we hold so dear--
We know not what future plans are
As we now go our own separate ways;
But we'll look back on many hours of pleasure
As we recall our Rock Springs High School days.

America - Opportunity

"America is but another name for opportunity," said Ralph Waldo Emerson many years ago. And today's nuclear-electronic space age offers opportunities that would startle even the imaginative Mr. Emerson.

Textiles, as one of America's most essential industries, affords a wide range of promising careers. High school graduates who plan to continue their education should consider the fine textile schools operating in America.

Students

BETTER
LIGHT = BETTER
SIGHT

Good light heads off drowsiness and speeds you through assignments. So make sure your bulb is in the proper size, that your lamp shade reflects light, and that it flares enough to diffuse light over all your work area. Make good light your friend . . . for life. It costs so little, means so much!

ALMA

We've got the finest school
That's in the land;
We'll set our goal
And there we'll take a stand
To put Old Rock Springs
On the top, top, top;
We'll do this and
We'll never stop, stop stop.

SCHOOL C

Black and

So fight, fight, fight, fight
 All the time;
 And soon the whole wide world
 Will quickly find
 We'll stand
 For work, play, fun, pep;
 Zip-boom-bah! zip-boom-bah!
 Rah! rah! rah!
